- > Cooperates with Marketing, Sales and Clinical teams to identify opportunities to promote benefits of Geistlich Surgery products and technologies

Your qualifications

- > University degree in scientific, medical, commercial or related fields
- > Minimum five years' experience in the development of professional training programs
- > Minimum five years' experience in communication of clinical evidence in the orthopedic / sportsmedicine sector
- > Professional experience in public speaking and medical writing
- > Proven written and verbal communication skills in German and English language
- > Flexibility and readiness to travel (40%)

Geistlich Pharma is a family-run Swiss company and a longstanding global leader in regenerative dentistry. We have a long tradition of pioneering attitudes that place the focus on employees. These employees are dedicated to the spirit that drives our company to excel: a passion for regeneration. This is the origin of our innovative medical products that reconstruct bones, cartilage and soft tissue. Our motivated team looks forward to working with you in a modern, dynamic environment with international flair.

We look forward to receiving your completed electronic application at: recruiting@geistlich.ch

If you have any questions about the position, please contact: Ralf Diener, Director International Marketing, Business Unit Surgery, Tel. +41 41 492 67 18
